I. PURPOSE

To establish the requirements and responsibilities for North Kingstown Fire Department (Department) personnel in obtaining and maintaining the proper class license to operate automotive fire apparatus.

II. POLICY

A. All Department members must obtain at a minimum, a Class 10 (NON CDL) driver's license to operate automotive and fire apparatus during their employment.
B. It is the Department members duty to maintain such license and renew at their own cost.
C. The Department may conduct driver's license checks on all personnel.
D. Personnel found to be in violation of this policy may be subject to disciplinary action.
